SKILLS

- **Professional Skills:** Problem Solving, Team Collaboration, Design Understanding
- **Technical Skills:** Java, React, JavaScript, HTML, CSS

Projects

BhoomiSetu

Feb. 2026 – Present

Created a Blockchain based land registry Platform for India using React, so that all the land can easily be sold or purchased and all the transactions can be tracked and this eliminated corruption as well as no need to go in registrar office for any transfers, everything in one place.
